Re: Ferring Pharm. Inc., et al. v. Serenity Pharm. LLC, et al.
Case No. 17-9922 (CM) (SDA)

OK
Colleen McMahon
1/29/2020

Dear Judge McMahon:

This firm, along with Womble Bond Dickinson (US) LLP, represents Plaintiffs Ferring Pharmaceuticals Inc., Ferring B.V., and Ferring International Center S.A. (collectively, "Ferring") in the above-referenced matter. We write on behalf of both Ferring and Counterclaimants Serenity Pharmaceuticals, LLC and Reprise Biopharmaceutics, LLC to request an extension of the deadline for the parties to file their respective proposed findings of fact and conclusions of law ("findings") from Friday, January 31, 2020 (*see* ECF No. 556) until Tuesday, February 4, 2020. The parties request this extension because they mutually agreed to extend the time to exchange initial findings on issues on which the parties bear the burden of proof, which, in turn shortened the time to prepare the parties' responsive findings and to each file their initial and responsive findings with the Court. The requested extension will allow adequate time for the parties' clients to review the findings prior to filing.

There have been no previous requests for extensions of this deadline, and the requested extension does not affect any other remaining dates in the schedule (*see* ECF Nos. 555 and 556).

Respectfully submitted,

s/ William P. Deni, Jr.
